M. J. JONES, Secretary.
New Castle, Kentucky.

BOARD OF MISSIONS.

We are grateful to our Heavenly Father for His divine guidance and blessings upon the church in its mission to the world during the year that is now closing, and that our labors have not been in vain in the Lord. The Board of Missions of the Kentucky Conference has endeavored to prove faithful to the sacred trust imposed upon it by the church during the past quadrennium.

We wish to thank the Presiding Elders and Pastors for their co-operation with the Board in all its endeavors to go forward, and we sincerely trust that at least something has been accomplished upon which the new Board may build during the next quadrennium. Believing that our Conference should now definitely and positively declare itself in favor of a most vigorous and earnest campaign for "All Assessments in Full," the Board offers for your adoption and commendation, the following plan of Campaign:

(1) There shall be held in Lexington, Ky., within sixty days after the adjournment of this Conference, a meeting of the Board of Missions, the Presiding Elders and The Committee on Activities of Laymen, for conference, for the planning and inaugurating of such Campaign.

(2) That the Board of Missions, the Presiding Elders, and the Conference, urgently request Bishop Kilgo to attend this meeting and assist in this work.

(3) There shall be held in each District a Missionary Institute before the 15th of December 1914.

(4) Each Presiding Elder shall publish in our Conference Organ, before January 1st, 1915, an outline of the plan of campaign adopted for his District.

(5) We declare that all collections must be in hand, or secured definitely in good collectable subscriptions, before the meeting of the District Conferences of 1915.

(6) Let one session of each District Conference be given to the Laymen. For this session let the Conference and District Leaders prepare the program, and one of them preside.

(7) That the Board of Missions shall secure sufficient space in our Conference Organ to conduct a Campaign of persistent publicity for "Full Collections." This department to be edited by our Conference Missionary Secretary.

(8) Our aim shall be:—Home and Conference Missions paid in full by January 1st, Foreign Missions paid in full by April 1st each year.

(9) The Treasurer of the Board of Missions shall have a sufficient number of return postal cards printed to send one to each Pastor on the first day of each month, asking for a full report on what has been done, and what is being done to secure the collections ordered by the Annual Conference. Should any of our pastors fail to report, let a list of those who fail be furnished to each Presiding Elder once a quarter with the request that he secure reports from these charges.

(10) We ask the co-operation and assistance of all Boards and Committees in charge of the funds secured by our Conference collections to aid us in carrying forward this Campaign.

PLAN OF WORK FOR THE CONFERENCE MISSIONARY SECRETARY.

(1) He shall in every possible way undertake to carry forward the plan of Campaign adopted by the Board of Missions and the Conference.

(2) He shall prepare suggestive programs for the District Missionary Institutes, and send to the Presiding Elders as soon after Conference as possible.

(3) He shall plan for a mid-year meeting, prepare the program, select the place and time.

(4) He shall keep in touch with the plans and progress of the several Districts, and offer encouragement and help in planning an earnest and efficient campaign.

(5) He shall edit the Missionary column in the Conference Organ, reporting there the special features of our work, and prompt reports of all progress made.

(6) He shall prepare and send special letters to Sunday School Superintendents, charge lay leaders and Missionary Committees.

(7) He shall carefully study, wisely select missionary literature, and earnestly seek to distribute same throughout the Conference.

(8) He shall plan to have sample literature at the District Conferences, Missionary Institutes, the Mid-Year meeting, and Annual Conference.

(9) He shall attend all District Conferences, Missionary Institutes, the Mid-Year meetings of the Board of Missions, and the Executive Committee Meetings.

(10) The Board of Missions hereby appropriates \$200.00 to the Conference Missionary Secretary for the coming year, who will pay all traveling, printing, postage, and all other actual expenses of the Secretary in carrying out the work outlined above.

The above plan was submitted to the Board and adopted. We recommend that Rev. B. C. Horton be appointed Conference Missionary Secretary.

The following were recommended for Evangelistic Committee:—
W. A. Swift, C. K. Dickey, E. K. Pike, J. D. Redd, J. B. Harris, W. W. Ball and R. M. Smith.

CHURCH EXTENSION.

The demands upon your Board of Church Extension continue to be largely in excess of its resources. And we regret to report a diminution in collections for this cause from the aggregate of last year of \$74.00. We urge again, on the ground of its merits, that the pastors do not allow discrimination against this fund. It is easy to show any congregation that money invested in church extension pays. We beg also that you

use freely the Church Extension literature furnished free by the General Board.

Dr. McMurray's splendid address at the Church Extension Anniversary on last Wednesday night and his little Book—"Priming for the Pump,"—furnish valuable data for Church Extension sermons.

On an assessment of \$4,668.00 we paid this year \$3,722.00. Half of this by the law of the Discipline goes to the General Board.

Eleven applications for aid were presented asking for a total of \$3,865.00. After careful consideration of each case, grants of donations were made as follows:—

Quicksand	\$500 00
Burning Springs	150 00
Wagoner's Chapel	200 00

BOARD OF EDUCATION KENTUCKY WESLEYAN COLLEGE.

NO. 1.

It is with great gratitude to God and to the friends who labored to that end, that we report a good year in the College for the sessions closed the past June, and for the further fact that the prospects for the opening the 15th., of this month, are the most encouraging for several years.

The new Library building that will add so much to the equipment of the college, is practically complete, and will be open to the students this school year. We congratulate the Conference upon the completion of this important enterprise which adds \$30,000 to the College property and endowment, and means so much to the future equipment of the College. The attention of all friends of the College is hereby called to the fact that donations of books, suitable for use in the Library is

desired; and the service they may render in the long years to come can not be calculated.

The Gymnasium in the basement of the College has been found to be entirely inadequate for the use of the students; and as a properly equipped gymnasium is of vital importance in maintaining the health and vigor of the students, the Faculty and the Board have been studying plans by which the great need may be met. We now have assurances that if the Conference will raise \$400 the citizens of Winchester will complete the amount necessary to remodel the old broom plant building on the corner of the campus, and make it adequate to the needs of a modern gymnasium. The Conference is earnestly requested to meet this opportunity of adding many times the amount called for to the equipment of the College.

We recommend that the assessment for the Conference Education remain at \$5,000 for the ensuing year.

We note with pleasure the presence at our Conference session of Dr. R. W. Browder, President of the Board of Education of the Louisville Conference, and we hail with delight all movements looking to a closer union of the two Conferences in their Educational work for Kentucky Methodism.

(Signed) JOHN R. DEERING, Chairman,
J. P. STROTHER, Secretary.

BOARD OF EDUCATION OF KENTUCKY WESLEYAN COLLEGE NO. 2.

At this time when the need of Christian Education is being agitated in every part of our great church, it is fitting and opportune that we should think long and soberly about this vital need.

What we need first in our educational work in the Kentucky Conference is an ideal. Second, a plan of procedure. Third, the determination to realize ideal and plan in actual achievement.

Our Kentucky Wesleyan College is surrounded by strong colleges that are constantly competing for the sons and daughters of Methodist homes. This competition must be met, not only with Methodist loyalty but also with Methodist equipment. We can, and we must keep our college equal to the best. Nothing less than this is worthy of our great Church.

The President's new home, and the Library building are worthy to mark the 1914 mile stone in this march of progress.

We note with pleasure the growth and prosperity of Logan Female College, which is the property of the Louisville Conference, and we would give Pres. Repass an open field in our territory.

John R. Deering, J. L. Clark, and R. M. Smith were selected as a committee to represent our Board in a joint meeting with a like committee from the Louisville Conference Board of Education to consider matters of mutual interest to both Conferences.

Attention of our pastors is called to the advisability of making liberal use of President Clark in the pulpits throughout the Conference.

Respectfully,

J. P. STROTHER, Sec.

CONFERENCE BOARD OF EDUCATION.

We rejoice at the great success that has attended the work of the Educational Commission appointed by the last General Conference in raising funds for our new University at Atlanta. Never was so great success achieved in so brief a time in connection with an educational enterprise. We pledge the enterprise our loyal co-operation and support and will use every proper means of inducing our young men to go there for their higher educational training.

That we are able to open our Theological Department this fall is extremely gratifying. We will not fail to urge its benefits upon our young men seeking to enter the ministry. It is well housed and endowed and ably manned, and worthy of our united loyalty.

The history of our church records the loss of several institutions of learning through lack of the loyal support of our people; now we have lost a great University through its disloyalty to the church. Our educational success depends upon two things: Our institutions must be loyal to the church and the church membership must be loyal to its institutions—the one is as essential and important as the other. If disloyalty on the part of the institution is wrong, disloyalty on the part of the church is no less wrong and ruinous.

Our young ministers are advised to avail themselves of the Correspondence School.

The statistics of Kentucky Wesleyan College are as follows:

Teachers	7
Students	100
Value of Property	\$119,000.00
Endowment	\$ 82,194.93

Respectfully,

J. P. STROTHER, Sec.

JOHN R. DEERING, Pres.

SUNDAY SCHOOL BOARD.

Your Sunday School Board comes to you at the close of this quadrennium with an expression of thanks to our Heavenly Father for His guidance and blessings and to our teachers and Sunday School workers for their increasing interest and co-operation. We wish to express to our Presiding Elders our appreciation of their willingness to advise and plan with us.

There has been great improvement in the organization of our schools.

Several now measure up to the Standard of Efficiency, while many are advancing toward the goal.

During these four years the Children's Day Collection has increased from an average of less than \$350.00 per year to that of \$500.00; the Wesley Adult Bible Class from ten or twelve, to near one hundred; the District Institutes from nothing to a powerful factor of information and inspiration. We have found many hindrances but despite these feel that we have made great advances.

One of our disappointments has been our inability to employ a Field Secretary; we believe the time has now come for the employment of such a helper and leader; may the Lord open the way for your Board to secure such a worker in the near future.

As we hand over to the new Board the responsibility of your Sunday School work, we beg to recommend that they continue the work on lines already laid out and trust the Conference will continue to give its full co-operation. Let every Sunday School observe Children's Day; see to it that each school is represented at their District Institute and at our Kentucky State Sunday School Convention in Lexington, October 20-22, 1914; place the Church Extension Birthday Jars in all our schools; and last, but not least, send a representative, if possible, to the School of Methods at Lake Junaluska, July 15-31, 1915.

We wish to call attention to the changes and additions made in and to our Sunday School periodicals. 1. A special edition of the Magazine for teachers in Sunday Schools using graded literature will be published, the matter dealing with Uniform Lessons being supplanted by matter designed to help the teachers of our Graded courses. 2. A monthly periodical called the "Workers Council" is designed to be a help to pastors and Sunday School officers and to be devoted to a discussion of methods; price 25 cents per year or 5 cents a quarter. 3. The Missionary Messenger your Board will mail to every superintendent each month; this leaflet will contain brief missionary items and a program for Missionary Day in the Sunday School. 4. The Visitor is to be enlarged to a sixteen-page paper and otherwise improved. 5. Beginning with January "Our Little People" is to appear both in leaflet and pamphlet form to meet the demands of the schools that prefer to give out the lessons to the primary classes weekly instead of quarterly. The price of the leaflet will be the same as the pamphlet.

The General Board reports a large increase in all of our Sunday School publications except three, the loss being small in each of these. Our General Sunday School Board is to be congratulated for presenting to our people a literature so good as to result in a loss of only 644 in the three cases just mentioned, and an increase of 88,506 in the other publications. The total circulation of our Sunday School literature is 2,020,147.

In closing we beg to call your attention to our great need of pressing the Teacher-Training work. In this we have made small progress but the time has come when it must be pressed. We strongly recommend that

classes with competent teachers, be formed in all our schools to meet at the Sunday School hour and take one of our training courses instead of the regular lesson. This is vital to our future work and cannot be longer neglected without great hurt to the church.

We wish to submit the following statistics:

Number of Sunday Schools 228, a loss of 7; Officers and Teachers 2,138; Scholars 22,621, a gain of 2,048; Home Department enrollment 960; Cradle Roll 1,473; Teacher Training 15; Wesley Adult Bible Classes 167; Received into the Church from the Sunday School 959; Collection on Missionary Assessment \$1,817; Special for Missions \$1,665; Children's Day collection \$542; this makes a total of \$17,074, and an increase of \$990.

Your Board rejoices with you in the harvest of the quadrennium and prays God's blessings upon you as you take up your work under the leadership of the new Board.

C. H. GREER, Chairman,
G. D. PRENTISS, Secretary.

EPWORTH LEAGUE BOARD.

Your Epworth League Board begs leave to submit the following report:

This is pre eminently a day of young people. Never have they participated in so many important things and held so many prominent places as at the present time. In these new relations and high positions come new and greater temptations. Commercialism and worldliness have become great forces with which to reckon. The solving of these problems falls upon the church. We believe the Epworth League is fully prepared to meet these conditions and will help to rightly direct our young people.

It is not enough to say that the Epworth League has not been a success, that it has failed in this undertaking for it is a well established fact that it has done much in the training and making of Christian character. It needs our sympathy and help and our earnest effort to make it a success. It has trained church workers, raised money for mission and repairs and represents much of the charity work done in the average church. Last year our leagues raised \$34,000 for missions, \$124,000 for the quadrennium. It raised \$91,000 for other objects and \$301,336 for the quadrennium. Our own Kentucky Conference League raised \$400 on the Cuba Special and has pledged \$600 for the present year to help establish our African Mission. Considering these facts we urge our pastors and church officers to assist the Epworth League Board and the officers of the Annual Epworth League Conference to promote the interests of our young people by organizing them into Epworth Leagues. We rejoice in the success of the Epworth League officers during the past quadrennium.

Several changes have been made in our constitution and new laws have been made by the recent General Conference which we believe will make possible a greater and more efficient service. So we enter the present quadrennium with new hope and with new courage and trust that it will mark a new era in the Epworth League enterprise.

Therefore, be it resolved,

First—That we co-operate with our connectional and conference officers to promote the great work and to realize more fully its possibilities.

Second—That we urge our pastors to hold Anniversary Days as a means of encouraging the work among our young people and that extra funds may be secured to extend our work.

Third—That every league respond to the new mission work in Africa by taking one or more shares in this great work.

Fourth—That we greatly appreciate the services of Rev. E. K. McLarty of North Carolina for his inspiring message at our Anniversary service.

Fifth—That we greatly appreciate the work done by our Conference Officers and that we urge our pastors to attend these conference sessions whenever possible and that they send delegates to these meetings.

Sixth—As most of our Leagues are in the towns and cities, we urge our pastors to co-operate with our district secretaries in organizing leagues in our circuits.

Seventh—That our Leagues organize Mission Study Classes and reading circles whenever as many as four can be induced to join such classes.

G. W. CRUTCHFIELD, Chairman.

E. K. ARNOLD, Secretary.

AMERICAN BIBLE SOCIETY BOARD.

We recognize the Bible as the revealed word of God, the guide book of life, and the sword of the Spirit.

We would therefore recommend that our pastors urge upon our people the necessity of habitually and regularly reading and studying the Word of God. But a man cannot study that which he does not have, and the American Bible Society has been the chief agent in supplying us with the Word of God at a very low price, both for home use and for use in foreign lands; for it furnishes the Word of God in over two hundred languages and dialects.

The American Bible Society is a great auxiliary. It is interdenominational. No single denomination could command the money to do the work it is doing; and yet no successful Missionary enterprise could be carried on without the Bible in the languages of the natives.

The Society needs at least \$300,000 annually from these church collections; and we are failing to contribute our share; for the Conference Cashier's report shows only \$139 paid to the Society this year. Only thirty of the one hundred and twenty-four pastoral charges made collections. We would therefore recommend that an assessment be made of \$300.

J. W. HARRIS, President.

JAMES E. WRIGHT, Secretary.

REPORT OF COMMITTEES—BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals submit our report in two parts which we respectfully request be voted upon separately in their order:

PART ONE.

We have carefully examined the most excellent exhibit of the Publishing Agents.

We note with satisfaction the improved conditions over the previous year. The increase in net sales of \$70,000 and net profits of \$13,000 has enabled The Book Committee to appropriate for next year the sum of \$15,000 for Conference claimants, an increase of \$5,000 above the appropriation for the present year. This improvement is manifest along all lines. Our S. S. periodicals are growing in favor with our people as is evidenced by an increase in their circulation of 176,000 copies in the last

four years. The Epworth Era has this year met the cost of publication with a circulation of 16,000. The Christian Advocate has shown a slight increase in circulation, but the present subscription list 16,500 for this our General Organ puts our Church to shame. We should urge our pastors to more faithfully represent this paper in their charges. The Methodist Review shows a profit the past year but with a subscription list of only 4,200. Every one of our preachers and intelligent laymen ought to be a subscriber for this magazine.

We would urge our people to purchase their books and periodicals from our own Publishing House.

Our Conference Organ, the Central Methodist Advocate has steadily improved until it is recognized on every hand as one of the best if not the best of Conference Organs in our Church. It carries to our people information which is vital to our Church life. Without the spiritual food, and knowledge of our polity which our people get through its columns, the work of our pastors is greatly hindered. We therefore, note with great satisfaction the successful efforts of its editors and managers to put the paper in every home in our several charges, and pray that the day may soon come when no Methodist home in our Conference will be without the weekly visitation of the Conference Organ.

PART TWO.

The following proposition submitted to the Kentucky Conference was before us.

To the Kentucky Conference, in session at Wilmore:

In as much as the last General Conference declared its purpose to have the Church acquire ownership of all Church papers and put a paper in every family of the church, the editors and proprietors of your conference Organ desire to put themselves in harmony with the General Conference, and submit a proposition to the patronizing conferences.

We suggest that the conferences purchase the Central Methodist Advocate, and put it in control of the Mission Boards of the Conferences, or some other competent joint commission, and proceed to put the paper systematically into all the families of the church and levy an assessment on each pastoral charge to cover the cost of furnishing the paper regularly, and let that assessment take its place with the other regular assessments of the conference. We estimate that an assessment of \$1.50 for every family, or single person representing a family, in the three patronizing conferences, would be sufficient to furnish the paper regularly to all, and would yield the first year a surplus to pay the cost of the purchase of the paper. After that, the assessment of \$1.00 in place of \$1.50 would be sufficient to furnish the paper regularly and systematically, and yield a surplus for the Mission Boards, or any other benevolent work to which the conferences might desire to appropriate it.

In view of this plan, the present editors and owners of the paper would agree to turn over the ownership and control of it to the patronizing

conferences for the sum of nine thousand dollars (\$9,000) to be paid to them in cash, or to be secured to them in terms equivalent to cash. The amount here named is less than the present proprietors of the paper have invested in it, and does not contemplate any return whatever for the several years of unrequited service which they have given to the upbuilding of it. If, any reason, the Western Virginia Conference does not enter into the proposed plan, this proposition will hold good as to the Louisville and Kentucky Conferences if they together accept it at this fall's sessions.

The editors of the paper are asking no personal favors, nor attempting to introduce any individual plans into the workings of the conferences, but are simply offering their co-operation to the conferences in carrying out the official policy of the Church as adopted by the last General Conference. If the conference should desire to acquire ownership of the paper without adopting the plan for renewal and circulation mentioned, we would make the terms the same as before stated, provided terms were accepted at the current sessions of the conferences, but we would not advise the purchase of the paper by the Conferences without the adoption of a dependable system for income and circulation. We beg here to express our approval of the wise plan announced by the General Conference for the maintenance and circulation of authorized church papers, and to express the hope that our Kentucky Conference will act promptly and take the lead in this movement which, we believe, means much for the further success of our great Church.

In the event the conferences purchase the Central Methodist Advocate, we agree to turn it over free of debt or other incumbrance, but will retain the right to all amounts due the office at the present time, or that may be paid on accounts now due or which may be due for services rendered.

E. G. B. MANN,

W. A. SWIFT.

Your Committee took action on this proposition as follows: We endorse the action of the General Conference proposing that the Annual Conferences own their own Church papers, and that they be placed in every home. We do not feel prepared to recommend the acceptance of the proposition made our Conference by the Central Methodist Advocate Publishing Co., but we do recommend that our Conference appoint a committee of two preachers and two laymen who shall act in connection with a like committee from the Louisville Conference and from the Western Virginia Conference if it can be obtained to consider fully the whole proposition with a view of acting in accordance with the recommendation of the General Conference; their action to be reported back to the Annual Conferences at their next session.

We recommend that the chairman be requested to appoint such a committee.

W. O. SADLER Chairman

J. E. MOSS, Secretary.

TEMPERANCE.

We, your Committee on Temperance beg leave to submit the following report:

The State of Kentucky has suffered more in her standing among the States, the nation and the world from the evil liquor has wrought than from all other evils combined.

As the use of intoxicants misfits its user for efficient service, destroying mind, morals and money and damns the soul; so the endorsement of the traffic has the same effect.

For a half-century the good people of the Church have taught its evils, and fought it until now 97 of the counties have local prohibition and all the counties have some dry territory. Most of them have a license only in county seats.

Our last Legislature was elected to pass a County Unit Law, which when put into operation will safely put all the State dry, with the exception of from five to seven counties. We rejoice in the large success of the Temperance cause during the past year as seen in the election of the State Legislature. The County Unity Bill, the Search and Seizure Law, and the Anti-Shipment Bill are wholesome measures and we believe that all will stand the test of the courts, if ever brought before them.

We commend the excellent part the Anti-Saloon League, the W. C. T. U. and other forces have played in this splendid work.

The traffic fears the ballot. Our State cannot continue to legalize it and prosper, and therefore, be it,

Resolved, That we place ourselves on record as favoring for all offices only men who will declare for the exterminating of the traffic in our Commonwealth.

We recommend the appointment of Mr. R. M. Smith, of LaGrange, Ky., to become a member of "A Business Men's League of Kentucky," for a state-wide campaign for a Constitutional Amendment, prohibiting the manufacture and sale of liquor in Kentucky for beverage purposes.

We recommend the appointment of M. S. Clark, B. C. Horton, and W. E. Arnold; also J. T. Morgan and W. W. Ball as trustees of the Anti-Saloon League in Kentucky.

We express our gratification that our last General Conference legislated so wisely in regard to the use of tobacco by our young preachers.

We heartily recommend the use of only unfermented wine at the Lord's Supper.

We declare as a Conference our desire to see Kentucky's Congressmen, and Senators register the will of the State in the United States Congress for the Shephard-Hobson Amendment.

M. T. CHANDLER, Chairman.

B. T. CHATHAM, Secretary.

SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg leave to submit the following report:

We deplore the condition of our State relative to the holy Sabbath day.

Resolved, That we most earnestly condemn all forms of Sabbath desecration, such as automobile riding, attendance at theaters, moving picture shows, and all general amusements.

Resolved, That we heartily endorse the work of the Sunday League of America.

Resolved, That we set apart the first Sunday in May as a Rally Day, and request the pastors on that day to preach on Sabbath Observance.

J. A. SAWYER, Chairman.

DISTRICT CONFERENCE RECORDS.

We, your committee on District Conference Records, submit the following report:

All the records, except the one from the Shelbyville District, were presented to the Committee for examination. In the main, these six records were very well kept, for which we commend the secretaries.

The Covington District Record was well kept. The only exception that we note was the incorrect spelling of one word.

The business appearance of the Frankfort District Record was not as good as it might have been. Otherwise, it was well kept.

With the exception of a few errors in grammar, the Jackson District Record presents a good appearance.

The Danville District Record was well kept.

The Maysville District Record was well kept with the following exceptions; there are a few errors in grammar, and instead of saying "the Presiding Elder was assessed so much" it should have said the assessment for the Presiding Elder was so much. We commend the marginal reference in this record.

The Lexington District Record presents a specially neat appearance. The only criticism that we offer on this record is a lack of punctuation in a few places.

Respectfully submitted,

EDWARD ALLEN, Chairman.

F. D. PALMETER, Secretary.

ORPHANS HOME.

We, your Committee on our Orphans Home, after hearing a communication from the President and one from the Agent of the Home would report as follows:

During the year a great sorrow came to the Institution in the death of Miss Laura Y. Nadal, who for a number of years had been the efficient matron. The place made vacant by her death has been filled, however,

by the former Assistant, Miss Emma Nadal, who in turn, is assisted by one of the Home girls, trained and educated in the institution. We believe the Board has been fortunate in securing these two persons, who were familiar with the needs of the Home.

There has been some sickness among the children, but no deaths; and from the President's report we take this statement; "the children at this date are well, and in good spirits and ready for the fall term of school." Several children have been received into the Home and some placed in private homes.

Some repairs have been made on the building.

For twelve Conference years the Fifth Sunday, collections from Sunday Schools have been a source of income; and we are glad to note that more money has been received in this way this year than during any of the twelve, and that the average paid per school, also was more.

The Agent reported that some bequests had been made to the Home.

Notwithstanding the increased cost of living, we are glad to note that the Home is free from debt, as the appended report from the President will show.

We endorse the action of the Board in the re-election of E. S. Boswell as Agent, and the election of Miss Emma Nadal as Matron.

Respectfully submitted,

E. L. GRIFFEY, Chairman,

GEO. W. BOSWELL, Secretary.

LAY ACTIVITIES.

To the Kentucky Conference, Methodist Episcopal Church South, in session at Wilmore, Kentucky:

Your Conference Leader in the Layman's Missionary Movement begs leave to report that at our last General Conference held May last in Oklahoma City, Okla., there was created a new Board in the Annual Conference on Lay Activities, of which the Conference Lay Leader is Chairman, and all the District Lay Leaders are members. Your Conference has taken notice of this fact, and in the appointment of the Boards made on the first day of this Conference you have made it a matter of record that W. W. Ball Conference Lay Leader, is Chairman; and that Rawlins D. Best, District Lay Leader of the Covington District, whose postoffice is Covington, Kentucky; P. H. Taylor, District Lay Leader of the Danville District, whose postoffice is Danville, Ky., H. A. Powers, District Lay Leader of the Frankfort District, whose postoffice is Paris, Kentucky; Chas. G. Bowman, District Lay Leader of the Jackson District, whose postoffice is Hazard, Kentucky; H. B. Campbell, District Lay Leader of the Lexington District, whose postoffice is Nicholasville, Kentucky; W. S. Hayes, District Lay Leader of the Shelbyville District, whose postoffice is La Grange, Kentucky; and Walter Worthington, District Lay Leader of the Maysville District, whose postoffice is Minerva, Kentucky, constitute the Board of Lay Activities.

Before the convening of this Conference, all the District Leaders were written to, urging them to attend this Conference. Five of them are here, and seven of them have made reports on the blanks furnished them. And these reports, together with a copy of this report, will be forwarded to Dr. C. F. Reid, General Secretary of the Layman's Missionary Movement.

In addition to that which is shown in the District Leaders' reports, from information obtained from them, I find that they have when called upon by the Presiding Elders and Pastors of their District, given their assistance in endeavoring to bring up the several claims in full, visiting circuits and charges for that purpose. And from the report of the Conference Cashier we see that there has been for this year an increase on collections, and I am satisfied that the District Leaders are entitled to some credit therefor. They promise to do better work in the future. On December 9th last, at the First M. E. Church, South, at Lexington, Ky., a meeting having been called by me as Conference Lay Leader was held to consider certain interests of our church. I sent out something like one hundred letters to preachers and Laymen, inviting them to that meeting. We had twenty-four present, twelve preachers, and twelve laymen. There was a good spirit manifested, and most of them testified that it was good to be there. I feel confident that there was seed sown that will bring forth fruit. We are going to repeat it. You will miss much if you are not there. Due notice will be given.

We have held a Public Meeting of the Board—many of the Preachers

and laymen were present. We used the order of business as sent us by Dr. Reid, the General Secretary, and had a number of helpful speeches by both preachers and laymen on the different subjects, as outlined in the order of business. And from the interest aroused we are hoping to do a greater and more lasting work this next year, and now give notice that at next Conference we want an evening assigned us for holding the Anniversary of our Board of Lay Activities.

W. W. BALL, Chairman.

MEMOIRS**REV. HENRY COLVIN WRIGHT.**

The faithful, useful, humble and beloved brother has gone to his rest and reward. He died suddenly Sunday afternoon, February 1st, 1914, in the parsonage home, at Worthville, Ky. He had been previously in good health and on the morning of that Lord's Day had preached a strong sermon from the Scripture, "But when the fullness of time was come God sent forth his Son," etc.

After enjoying the noon-day meal, he went to water and feed his horse, and then started home-ward. He had reached the porch only when the stroke laid him low. For some minutes he was quite unconscious;

then reason returned but he remained deathly sick, complaining of pain in his chest. A physician was called and administered to him. The pain passed away, and the doctor, saying that the patient would get along all right, went his way. In some twenty minutes more Bro. Wright asked to be raised up in bed; his wife lifted him, he threw back his head, and died without a word or struggle.

The writer delivered a funeral discourse on the following Tuesday morning before a crowded and sorrowing congregation in the beautiful little church belonging to our Methodist people of Worthville. The burial took place at Pleasureville. Bro. Jas. E. Wright made the last prayer. The rain fell continuously. It was dark without and within—for family and flock.

The new year had opened most hopefully for the new pastor, and he was earnestly and successfully employed in uniting and leading forward his charge in the various departments of church work. Now the shepherd was smitten and the flock dismayed. But it is God's flock and a new leader has been found. May the blessing of God be upon him and them!

Bro. Wright was born May 3, 1848, in Pendleton County, Ky. In early youth, he joined the M. E. Church, South, and was converted at her altar, near his birthplace in the year of 1870. He fought against convictions concerning the ministry, for years, but at length yielded all to Christ and the still small Voice in his heart, and on September 19, 1878, at Shelbyville, was admitted on trial into the Kentucky Conference and appointed to Bracken Circuit. Since that date he served the following charges, Stewartsville, Owingsville, Sharpsburg and Bethel, Germantown, Chaplin, Campbellsburg, Simpsonville, Pleasureville, Mt. Zion, and Worthville, several of them for a full quadrennium.

On June 23, 1870, he married Mary E. Rawlings, of whom were born five daughters. On September 8, 1885, he married her sister, Miss Margaret A. Rawlings, and three sons and two girls blessed this happy pair. Of these nine, all save one are living. The eldest son was taken away three years ago. We have excellent evidence that he was a loving husband and faithful as a father in the training of his household.

In the pastoral office, Bro. Wright lovingly undertook the care of both lambs and sheep. No roads, or weather, or opposition deterred him. He was ever ready and reliable. He knew our rules and observed them. He accepted hard tasks and made no complaints: lived on small salaries, saved a little money, and made no debts. How he managed to educate his children and keep away the wolf remains a mystery. He gave his Presiding Elder many reasons to love him and few hints as to his own wants. He was a peacemaker and tactful in managing men. He won the confidence of every family he entered. I was associated with him closely for years and concerned to hear about him, but never saw or learned aught to his discredit. So prudent, genuine, godly, diligent and amiable and sensible a servant of men could have few enemies. In going about to do good, he spared not himself, or horse, or Presiding

Elder; on reaching home all these found creature comforts in abundance.

As a preacher, Henry Wright deserved his popularity. He gave his hearers sound doctrine in plain and loving words. His own walk was close with God and his rich experience in grace commended his discourse. "I would rather preach the gospel," he said, "than have all the riches and honors this world could bestow."

He often said, 'I want to preach the Gospel and go home to Glory,'—he could not bear the thought of superannuation. It was, however, for many years his duty and delight to canvass conference for the fund for their relief. We shall miss his book and pencil—his appealing word and smile. His work blessed infancy and age, widow and orphan and worn-out minister. The conference laments him!

JNO. R. DEERING.

MRS. H. C. MORRISON.

Geneva P. Pedlar was born in Woodland, Cal., March 31, 1875. She was the daughter of Mr. and Mrs. F. A. Pedlar.

She was educated in Cogswell College and the State Normal of the State of California.

When she was only eight years old she united with the Methodist Church and at once became a worker in her church. But when she was nineteen years of age, she became dissatisfied with her religious experience and, though she was a young lady of the first rank in the social circles of her State, she turned away from these and sought salvation at an altar of prayer and was gloriously converted; a few weeks later she made a full consecration of herself and her all and was gloriously sanctified.

Soon after this the Rev. H. C. Morrison was called to conduct a series of revival services in the church to which she belonged, and it was during this meeting that they first met and their acquaintance ripened into friendship and friendship into love, and on April 9, 1895, they were united in the bonds of holy wedlock.

With her husband she traveled in the evangelistic work for several years and with him, she was doubtless the instrument in God's hands of helping thousands of people into a sweeter and better Christian experience.

The Lord gave to Dr. and Mrs. Morrison, five bright children, Howard, Geneva, (Who bears her mother's name), Frank, Emily, and little Helen; all five live to miss and mourn the loss of mother.

Dr. and Mrs. Morrison first kept house in the city of Louisville; from there they moved to their suburban home at O'Bannon, Ky., where they lived until some five or six years ago, when they moved to Wilmore, Ky.

Their coming to Wilmore has been a benediction to us as a community, a church, and a school. This community has never had two citizens who have meant more to it and none that we have felt more willing to honor than Bro. and Sister Morrison.

We desire to speak especially of the time four years ago, when our school was storm-tossed by a heresy that threatened our very existence as a school and our prosperity as a community; no one stood firmer for the old Bible truth, for the eradication of all sin from the heart by the Holy Ghost here and now by faith in Jesus' blood, than did Sister Morrison. There were three things in Sister Morrison's life that most of us would do well to imitate.

First, her devotion to Asbury College. We believe there was no one connected with Asbury College as she was who loved it more. To it, her toils and cares were given, for it her tears did fall until toils and cares and tears with her are no more. One of her last exhortations to her husband, Dr Morrison, was: "Whatever you do, Henry, run Asbury College on Bible lines."

Second, her devotion to Jesus Christ with women like Sister Morrison, capacity to love is great, but with her the greatest manifestation of that love was for the Lord. In time of agonizing prayer Sister Morrison poured out her soul in its cry of distress to the Lord of hosts. In times of joy her soul caught fire, and glowed and glorified its Maker in shouts of triumphant praise, that poured forth from her lips on an audience. Like the sweet odor from Mary's alabaster box, that was poured out on Jesus' head and ran down to His feet, filling all the house with its sweetness and fragrance, so was the shout of praise and glory to Jesus from Sister Morrison in the time of victory and blessing. It fairly electrified an audience.

Third, her devotion to the great cause of missions. During Dr. Morrison's absence on his trip around the world, her great consolation was that she would have some part in the good accomplished—the souls that he won to Christ. She was especially interested in China, with its teeming millions of people; for this nation she loved, she wrought, and hoped, and often prayed.

Sister Morrison departed this life about 3:30 Monday afternoon, March 23, 1914. She has gone from us, but if people in the other world are still intensely interested in this, I am sure she is. But she is not lonesome, for with her from this community are many now sainted ones, whose names are in the book of life.

We conducted her funeral in the Methodist Church in Wilmore, Ky., March 25, 1914, in the presence of a great company of people. Those taking part in the funeral services were Rev. A. P. Jones, Rev. Dr. Fisher, and Rev. J. D. Redd.

We shall miss Sister Morrison as one of the Lord's soldiers, but realizing that the Lord buries His Workmen and carries on His Work, we shall therefore buckle on the armor, gird up our loins, quicken our step, and push on into the thick of the fight until Jesus comes with the quick and dead and gathers us home, or until our work is done and we go to our long home and the mourners go about the streets.

W. L. CLARK.

Louisville Training School

Home Phone 6620 City.

Street Cars, Park via 3rd on Fourth Ave.

This is a literary, classical, scientific home school for boys from 10 to 20 years old. It trains daily also in military and gymnasium. It has entered upon its 26th year, and is now filled to its limit. It cannot matriculate others before its Spring Term, 1915.

It is strictly up-to-date in methods in all its departments—English, Science, Mathematics, Classical, History, Common School, Athletic and Military. The school will take only 50 boys per term. It takes day pupils as well as boarders.

Strict discipline, home training, firm integrity, high standards, economy, thoroughness, character building are its watch-words. *It makes men out of Boys.* The individual boy is its unit. It gets results where others fail. It does no "drumming" yet nearly every year has to turn off students. It has the choicest location in the State, having all the advantages of country and city combined, and none of the disadvantages of either.

The boys are personally trained for life's responsibilities and affairs, as well as for leading Universities.

Our Boys Make Leaders Everywhere.

The headmaster has trained thousands of boys for 35 years and they are scattered over most of the globe. Charges reasonable.

Get our big illustrated catalog, and when applying give age and advancement of your boy. Religious but non-sectarian. Address for catalog.

ALFALFA! MISSISSIPPI BLACK LANDS

The Black Lands of the Prairie Belt of Mississippi are pronounced by Government experts to be the best Alfalfa producing lands this side the Rocky Mountain section. They are Limestone lands, finely adapted to the growing not only of cotton and corn, but grasses of nearly every kind. They present advantages for stock-farming that are unsurpassed. The South is undoubtedly the coming section of the United States. Besides, these lands are the cheapest lands to be found in any section of our country today.

I have many bargains in farms of various sizes, located near West Point, Mississippi, one of the best towns in the State. Population 5,000; good schools and churches; three railroads; splendid macadam roads; fine water; healthy climate. It will pay to investigate. Write to
